Certified Internal Auditor Review & Internal Auditing Certificate

This comprehensive, instructor-led course incorporates classroom-based instruction and activities facilitated by qualified Certified Internal Auditors. Participants will be provided with online software through The IIA's CIA Learning System, which offers quizzes, a pre-test, post-test, eFlashcards, exam study tips, exam references, and a full practice examination for each part in which a participant enrolls. In order to customize each class to the participant's strengths and weaknesses, your instructor will have access to your progress and results of the online quizzes, tests and practice exams and can adjust course content based on class needs.

Finish all four course sections and earn an *Internal Auditing Certificate*!
