President's Message

I can't believe that March is already here. It's time to hear Pamela Stroebel, the CAE at the Department of Administrative Services, present on the audit committee. Pam will be presenting with Jason Stanley, the CAE at the Public Employees Retirement System, and Darrin Hotrum, the CAE at the Oregon Judicial Department. As part of this training they will be sharing the recently developed audit committee handbook.

At the March luncheon we will be holding the annual vote for the chapter year 2012-2013 Board of Directors. The ballot will include the following positions:

- **President**: Adrianne O'Connor
- **Vice-President**: Antonia Allen
- **Secretary:** Sarah Myers
- **Treasurer:** Elizabeth Schultz
- **Membership Chair:** Robert Martinez
- **Academic Relations Chair:** Edward Angle
- **IT Committee Chair:** Jessica Johnson

We hope to see you on the 21st.
~Brandon Weber

Luncheon Schedule

Our monthly luncheon meetings are held at 11:45 am the third Wednesday of each month at Marco Polo Global Restaurant, located at 300 Liberty St. SE Salem, unless otherwise indicated below. Luncheons include one hour CPE.

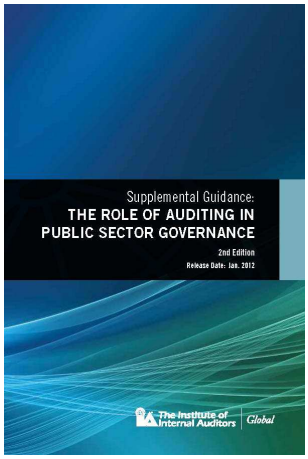
IIA Supplemental Guidance: The Role of Auditing in Public Sector Governance

This second edition of "The Role of Auditing in Public Sector Governance" came about as a result of the extraordinary demand for guidance related to auditing in the public sector.



This edition presents information on the importance of the public sector audit activity to effective governance and defines the key elements needed to maximize the value the audit activity provides to all levels of the public sector. The guidance is intended to point to the roles of audit methods by which those roles can be fulfilled, and the essential ingredients necessary to support an effective audit function. As such, it may not be fully applicable in every jurisdiction, particularly where public sector audit roles and responsibilities are specifically defined by governing institutes or legal mandates to exclude certain functions or assign them to other entities. http://www.theiia.org/guidance/standards-and-guidance/non-ippf-supported-material/the-role-of-auditing-in-public-sector-governance/
