President's Letter:

Greetings chapter members!

I'd like to start off the first newsletter of the year with a big THANK YOU to all the Chapter Officers, Board of Governors and volunteers that helped participate in the chapter last year. This work goes above and beyond all of our regular work responsibilities and this effort is truly appreciated.

So far this year, we've completed the annual member survey, held the annual board/officer meeting, and have started meetings and discussion within the Program Committee for establishing a training calendar for this chapter year. The results of the survey were very positive with 48 members providing feedback. These responses have been relied upon in making decisions for the 2010 chapter year and your help in this is very appreciated. Some highlights of the survey include:

Top 4 Work Responsibilities of Chapter Members

1. Financial Controls – 62.5%
2. Regulatory Compliance – 47.9%
3. Fraud Detection/Analysis – 45.8%
4. Sarbanes-Oxley – 33.3%

Most Attended/Highest Rated Meeting from Last Chapter Year: Conducting an IT Audit with Limited IT-Specific Resources

Interest in Seminars

- Fall only – 11.1%
- Spring only – 37.8%
- Both Fall and Spring – 51.1%

Preferred Time for Chapter Meetings: Lunch hour, meeting and meal combined – 84.4%

Recommended Cost for Meeting Attendance: Current level ($20) – 95.3%

Also, I'd like to welcome all of our new officers and board of governors for the 2010/2011 chapter year. Volunteers with new positions include:

- Edwina Archamboult, Vice President
- Jake Wurth, Treasurer
- Darcie Kristjanson, Board of Governors
- Kris Sieverding, Board of Governors
- Troy Swanson, Board of Governors

I am looking forward to seeing everyone at our upcoming chapter meetings and throughout the year.
