GOLF CLUB

LEMONT, ILLINOIS

March 2012

Dear Friends,

Building on the momentum from last year's most successful golf outing, the IIA Chicago Chapter is excited to announce the prestigious Ruffled Feathers Golf Club will be the site for this year's event. The 2012 program represents a great opportunity for the Chicago Chapter to provide its members a tremendous experience at a Chicago area premier rated golf course & facility at a reasonable price for all levels of participation: sponsors, golfers, networking and volunteers!

We are anticipating a sell-out for the golf tournament and sponsorships this year, in addition to exceeding the number of companies (57 in 2011) being represented. All commitments are recorded on a first come first paid basis.

Your support is greatly appreciated,

Rick Kokoszka , Brad Metzinger & Brooke Enburg
IIA Chicago Golf Outing Co-Chairs
