AUDIT LEADERSHIP EVENT

November 22 – 23, 2012

Delta Bow Valley Hotel 209 4th Ave S.E. Calgary, AB

For Registration, click here.

This 1 ½ day Workshop (finishing at noon on Friday) is appropriate for all Chief Executive Officers, Directors, and Managers……

Today's great audit leaders never lose sight of the importance of continually assessing and improving their organization. The IIA Canada has developed a customized training and leadership culture in the boardroom program specifically for audit leaders who want to understand their boardroom culture and ways of ensuring a culture of good governance.

Your opportunity to: Gain the skills necessary to review and improve your corporate governance structure. Learn how to identify and work with different boardroom cultures, gain fresh insights into culture in general and in governance culture in particular.
