**Event Price: US\$40.50**

### ***Implementing the International Professional Practices Framework, 3rd Edition***

The information in this book is designed to serve as a practical guide for applying the IPPF. The “crash course” in this book outlines the specific actions auditors must take to conform to the Standards and the other elements of the IPPF. In doing so, it reviews basic information on the essential elements required for providing effective internal audit services, discusses in depth those elements representing significant change, and provides specific practical tools and techniques for delivering high quality internal audit services.

**Item No. : 1020.3**

**Member Price: US\$55.00**

**Event Price: US\$49.50**

### ***Internal Audit Capability Model (IA-CM) for the Public Sector***

This research report is a framework that identifies the fundamentals needed for effective internal auditing in government and the broader public sector. It illustrates the levels and stages through which an internal audit (IA) activity can evolve as it defines, implements, measures, controls, and improves its processes and practices.

**Item No. : 5007**

**Member Price: US\$40.00**
