JANUARY 2012

Recent Meetings Were Awesome!

Our Fall Seminar, held in December, had five speakers that presented captivating topics. The 42 attendees can confirm that this seminar was a great success and well worth the time.

Mr. Troy Bouk of the State Attorney’s Office (First Judicial Circuit) gave a presentation at our January lunch meeting. His discussion of Fiduciary Fraud was very relevant, as he detailed tools and techniques to use in fraud investigations.

If you aren’t attending our seminars, you are missing out!
