

Our client, a full service commercial bank with \$5.2 Billion in total assets and 1400 employees and located in the Southern Tier of New York has an immediate opportunity for an Audit Manager. Reporting to the Vice President, Director of Audit, the ideal candidate is a self-starter professional with previous bank audit experience and a thorough knowledge of audit procedures. The Audit Manager's key responsibility will be to supervise and conduct audits, investigations, reviews and other departmental projects.

Please consider the opportunity if you have 8-10 years of audit experience, a professional certification (CIA, CBA or CPA) and are looking for a great opportunity with a dynamic organization.
