

IT Internal Auditor
Erie Insurance Group
Erie, PA 16530

Erie Insurance is currently looking for an **IT Internal Auditor**.

Erie Insurance Group, a dynamic top-rated multi-line insurance company, is celebrating over 80 years of exceptional service. We're rated A+ Superior by A.M. Best and have regularly received top rankings for customer satisfaction. We have also been rated as one of the best companies to work for in America and have earned the respect of the industry. Our products are superior and our service is top notch.

We offer challenging work in an exceptional work environment, attractive salary and a comprehensive Total Rewards benefit package, including a matching 401k plan.

As an **IT Internal Auditor**, you will participate in and/or direct audits of the company's information technology (IT) function. You will document and assess the adequacy of internal controls and prepare recommendations for improvements. Additionally, you will complete assignments related to Sarbanes-Oxley compliance and guide less experienced staff.

Qualifications include:

Bachelor's degree in management information systems, computer science, accounting or related field.

Two years experience in internal audit, public accounting, or related field.

In-depth knowledge of information technology systems required and knowledge of computer assisted audit technology.

Knowledge of the systems development life cycle and project management.

Knowledge of data base structures, mainframe and local area network environments, and related software.

Professional certification such as CISA, CPA, or CIA highly preferred.

To apply today go to www.erieinsurance.com, click on Careers (Job ID 2010-2347)

Please let me know if you need anything else to move forward with posting. Thank you in advance for your assistance.

Being Above All in SERVICESM helped us earn the J.D. Power and Associates Award for "Highest in Customer Satisfaction with the Auto Insurance Shopping Experience, Three Years in Row"

Erie Insurance received the highest numerical score for the auto insurance shopping experience in the proprietary J.D. Power and Associates 2009-2010 Insurance Shopping StudiesSM, and the 2008 Insurance New Buyer StudySM. 2010 Study based on 6,394 total responses, measuring 25 providers and measuring the opinions of consumers shopping for a new auto insurance policy. Proprietary study results are based on experiences and perceptions of members surveyed in February-March, 2010. Your experiences may vary. jdpower.com
