

N313 - Inf Tech Auditor 4

Requisition ID: 11023136

Business Sector: HII-Newport News Shipbuilding
Location: United States-Virginia-Newport News
US Citizenship Required for this Position: Yes
Relocation Assistance: No relocation assistance available
Clearance Type: Confidential
Number of Openings: 1
Shift: 1st Shift

Description

Audits information technology (IT), platforms, and operating procedures in accordance with established standards for efficiency, accuracy, security and risk mitigation. Interprets federal, state and/or international regulations as they apply to information systems, platforms, and IT operating processes, practices and procedures. Evaluates IT infrastructure in terms of risk to the organization and establishes controls to mitigate loss. Plans audits, analyzes audit results and tests auditing programs. Determines and recommends improvements to current risk management controls. May revise controls for new or modified computer applications to prevent inaccurate calculations, data loss, and to ensure discovery of errors.

Knowledge, Skills and Ability

Contributes to the development of new concepts, techniques, and standards. Considered expert in field within the organization. Demonstrates the skill and ability to perform complex tasks. Able to communicate effectively and clearly present technical approaches and findings.

Problem Solving

Develop solutions to complex problems which require the regular use of ingenuity and innovation. Ensures solutions are consistent with organization objectives.

Discretion/Latitude

Most assignments are complex and performed independently without appreciable direction. Exercises considerable latitude in determining objectives and approaches to assignment.

Impact

Effects of decisions are long-lasting and heavily influence the future course of the organization. Errors in judgment or failure to achieve results would result in the expenditure of large amounts of company resources as well as problems with customer satisfaction.

Liaison

Serves as consultant to management and special external spokesperson for the organization on major matters pertaining to its policies, plans, and objectives. Acts as an advisor to senior management and customers.

Qualifications

Basic Qualifications:

10 Years with Bachelors; 8 Years with Masters; CPA, CISA, CIA preferred

Huntington Ingalls Industries (HII) designs, builds and maintains a variety of nuclear and non-nuclear ships for the U.S. Navy and builds high-endurance cutters for the U.S. Coast Guard. In addition, HII provides aftermarket services for military ships around the globe. For more than a century, HII has been building more ships, in more ship classes, than any other U.S. naval shipbuilder. Employing nearly 38,000 shipbuilders in Virginia, Mississippi, Louisiana and California, Huntington Ingalls Industries' primary business divisions are Newport News Shipbuilding and Ingalls Shipbuilding. HII is an Equal Opportunity Employer committed to hiring and retaining a diverse workforce regardless of age. U.S. Citizenship is required for most positions.
