Director, Audit Services Pension Corporation

Victoria, BC

The Director, Audit Services reports to the Chief Executive Officer, with additional functional reporting to the Audit Committee of the Board of Directors. The position assures the adequacy and effectiveness of the system of internal control throughout the Corporation. In this regard, the Director informs executive management and the Audit Committee of the effectiveness and efficiency of operations, reliability of financial reporting and compliance with applicable laws and regulations. The Director provides strategic direction and leadership in the areas of Internal Auditing throughout the Corporation and designs and implements the organization's internal auditing program to cover the areas of: business systems and processes, financial and accounting systems, IT, investigations, contracts, and business risk assessments. The Director assists business leaders to fulfil their responsibilities for managing risk while making certain the objectives of the organization are accomplished and directives of management are carried out.

Our ideal candidate will bring:

- A professional accounting (CA, CGA, CMA) and/or certified internal audit (CIA) designation is required along with comprehensive applied knowledge of generally accepted auditing standards.
- Substantial progressive auditing, financial and leadership experience in management roles including significant internal audit experience.
- Experience providing audit or financial results to senior audiences, including senior management, executives and boards.
