# The IIA is Committed to Promoting the Internal Audit Profession to the Next Generation.

**There are two IIA programs that support internal audit education in colleges and universities worldwide.**

- The **Internal Auditing Education Partnership (IAEP)** program endorses schools teaching an internal auditing curriculum within a degree program (undergraduate or post-graduate).
- The **Internal Audit Academic Awareness Program** to recognize the various degrees of commitment and effort universities are making to provide students with the information and skill sets necessary to be able to choose from a variety of career paths.
