

# CONSIDER A CAREER IN INTERNAL AUDITING

## WHAT DOES AN INTERNAL AUDITOR DO?

Internal auditors are in high demand. They review and make recommendations to improve an organization's effectiveness; assess and communicate organizational risks; evaluate and recommend cost savings and process improvement opportunities; and investigate fraud.

## WOULD YOU MAKE A GOOD INTERNAL AUDITOR?

Internal auditing offers a competitive starting salary, travel benefits, flexible schedules, opportunities for fast-paced advancement, and interesting work for the inquisitive, analytical and creative mind.

Internal auditors come from a variety of backgrounds including IT, engineering, marketing, management, and finance. Students are actively recruited from college and university campuses worldwide, especially from those schools with an IIA Internal Auditing Education Partnership (IAEP) program.

## HOW DO YOU GET STARTED ON A CAREER PATH TO INTERNAL AUDITING?

Contact your faculty advisors or professors to find out what courses are being offered at your school and how you can register for the internal auditing program.

## AND NOW FOR THE FUN PART... GETTING INVOLVED!

Join The Institute of Internal Auditors (IIA) – the international professional association exclusively for internal auditors – at a substantially discounted student rate, and gain access to guidance, networking opportunities, an audit career center, and other benefits designed to advance your career in internal auditing.

# DO DIVERSITY AND FLEXIBILITY DESCRIBE YOUR STYLE?

A photograph of four people of diverse backgrounds walking away from the camera on a paved path in a park-like setting. The path is flanked by green grass and trees. The people are dressed in casual attire: a woman in a pink hoodie, a man in a red shirt, a man in a brown jacket, and a woman in a yellow shirt.

## IF SO, A CAREER IN INTERNAL AUDITING MAY BE RIGHT FOR YOU.

### WHY BECOME AN INTERNAL AUDITOR?

Internal auditing offers a competitive starting salary, travel benefits, flexible schedules, opportunities for fast-paced advancement, and interesting work for the inquisitive, analytical mind.

### WHAT DO INTERNAL AUDITORS DO?

Internal auditing is recognized as the “go to team” for answers on risk and control issues. They review and make recommendations on every aspect of the organization to improve its effectiveness; assess and communicate organizational risks; evaluate and recommend cost savings and process improvement opportunities; and investigate fraud.

### WOULD YOU MAKE A GOOD INTERNAL AUDITOR?

Internal auditors come from a variety of backgrounds including IT engineering, marketing, management, and finance. Students are actively recruited from college and university campuses worldwide, and those from schools with IIA approved internal auditing curricula are in high-demand.

### HOW DO YOU GET STARTED ON AN INTERNAL AUDIT CAREER PATH?

- Read more about internal auditing at [www.theiia.org/Academic](http://www.theiia.org/Academic).
- Ask your faculty advisors or professors what courses are being offered at your school and if there is an internal auditing program on campus.
- Join The Institute of Internal Auditors (IIA) at a substantially discounted student rate, get involved at the local chapter/institute level, and gain access to its online resources including an audit career center.
- Start networking with your new friends from The IIA.
