THE INSTITUTE OF INTERNAL AUDITORS
THE IIA NOMINATING PROCESS

The IIA has two nominating committees. The North American Nominating Committee meets in November and December 2026 to recommend the slate of nominees for the North American Board and the North American committees. The Global Nominating Committee meets in January 2027 to select the slate of nominees for the Global Board of Directors and Internal Audit Foundation Board of Trustees. Committee chairs are appointed in late January 2027 by the Chair of the Board Nominee and assist in selecting the members to serve on committees. Committee appointments are completed in February, with committee terms beginning in April or July 2027.

OFFICERS AND BOARD PROCESS

The IIA's Global Nominating Committee meets in November 2026 to select the list of nominees to be interviewed. Interviews are scheduled and completed in December 2026 and early January 2027. The Global Nominating Committee meets by mid-January 2027 to select a slate of Global Board nominees, and to confirm Board candidates for North America and the Board of Trustees. Note that approximately half of the Board positions are selected each year.

NATIONAL INSTITUTE DIRECTORS

The Top 10 National Institutes, of which a minimum of five (5) have seats on the Global Board are determined by the average number of members and the average institute revenues over a two-year period. The calculations are revisited every two years. The National Institute candidates should have the recommendation of their Institute to be considered by the Global Nominating Committee.

NORTH AMERICAN DIRECTORS

Members in North America (NA) are asked to submit candidates for the open positions on the NA Board. NA Directors oversee NA activities. Four (4) NA Board Directors also serve on the Global Board of Directors. The IIA's NA Nominating Committee recommends a final list of NA candidates for the Board of Directors to the Global Nominating Committee.

ANNOUNCEMENT OF SLATES

The slate of Global officers and board nominees is announced to the members via the website or electronic communications at least 120 days before the Annual Business Meeting (ABM). Nominees are elected during the ABM, which will be held in July 2027.

The slate of NA Board officers and NA Board nominees is announced to the members via the website or electronic communications at least 60 days before the Annual NA Membership Meeting. Nominees are elected during the Membership Meeting, which will be held on April 11, 2027, in conjunction with The IIA's Leadership Academy in Orlando, Florida.

INTERNAL AUDIT FOUNDATION PROCESS

The IIA's Global Nominating Committee confirms the recommended slate of candidates presented by the Foundation's Succession Planning Committee for the Board of Trustees. The slate of officers will be presented to the Internal Audit Foundation members for election in Q2 2027.

IIA COMMITTEE PROCESS

The Global Board Chair works with the Global Nominating Committee and Committee Chairs to select nominees for each committee. Efforts are made to ensure that each committee has a broad cross-section of members. Certification, geographical representation, industry, experience, skills, and any specific requirements of the committee are taken into consideration.

New global committee members are appointed in February to fill terms beginning in July 2027. The committee in-person meeting is usually held once a year, with virtual calls scheduled throughout the year. Terms are for one to three years, although committee chairs may drop members who have not effectively contributed to committee work. Appointments may also be made to fill vacancies.

For committees designated as North American (NA), the NA Nominating Committee works with the committee chairs to select the committee members. NA committees typically meet in conjunction with the Annual Leadership Conference in April with additional meetings as scheduled (in-person and/or virtual).

NORTH AMERICAN BOARD PROCESS

The NA Nominating Committee meets in November and December to select a slate of candidates to serve as officers and members of the NA Board. The slate is provided to the Global Nominating Committee for final approval in January. All nominees will be notified in mid-January and elected by the NA membership during the Annual Leadership Conference in April with the four (4) candidates that are elected to the Global Board of Directors elected by the global membership in July 2027.

CHAPTER RELATIONS COMMITTEE AND CANADIAN ADVISORY COMMITTEE PROCESS

(NORTH AMERICA ONLY)

The NA Nominating Committee selects the slate of candidates for the open Canadian Advisory Committee and the District Advisor and District Representative positions in North America. District Advisors and District Representatives serve on the Chapter Relations Committee (CRC).

The slate of members for the Canadian Advisory Committee and the District Advisor and District Representative nominees are announced to members via The IIA website and candidates are elected during an annual NA Membership Meeting held in April in conjunction with The IIA's Annual Leadership Conference.
