Internal Auditors
Zimbabwe

CORPORATE GOVERNANCE STRATEGIES FOR INTERNAL AUDITORS

Corporate governance is increasing in importance as stakeholders demand that those charged with governance should be monitored and held to account for their decisions and actions. The course will equip participants with the skills necessary to review and improve their organisations' corporate governance structure; analyse and promote their organizations' ethics programs; and develop techniques to effectively assess their organizations' corporate governance activities.

WHO SHOULD ATTEND

Internal auditors at all levels, assurance providers and managers who need a greater understanding of Corporate Governance and how to review Governance maturity.

TOPICS TO BE COVERED

- Corporate Governance Basics
- Legal, Regulatory and Standards Requirements
- Business Ethics in Governance
- Transparency and Disclosure Requirements
- Enterprise Risk Management in Corporate Governance
- Monitoring & Reporting Requirements
