

PRESIDENT'S MESSAGE

Dear Members,

Fall is here which means shorter days, but your Winnipeg Chapter board of volunteers has been working hard over the summer to come up with a fantastic line-up of lunches (both in-person & virtual), training, and of course planning our annual fraud & ethics summit!

Our Education team started the year off with an excellent in-person lunch topic on ERM, presented by Fraser McLean. Hope you had a chance to attend this luncheon at the Norwood Hotel. It was so nice to get together, re-connect and meet new people. The team has more great events planned – including a holiday joint event with ISACA!

Our Advocacy team has been working on several initiatives including reaching to post-secondary institutions to speak with students about a career in internal audit. They are also looking at new and exciting ventures that can help us expand information on the IIA and provide some great opportunities for our members.

The Member Services team has been working hard developing our communication process – including updating our website & preparing this newsletter. During the summer, The IIA decided that students can become IIA members for FREE! We will be working on promoting this jointly with our Advocacy team and look forward to welcoming new student members to our Chapter.

Winnipeg was represented at the recent IIA Canada Conference in Calgary in October. There were lots of excellent speakers as well as great networking opportunities. The 2023 conference will be held in Ottawa from October 1 – October 4, 2023 so put it in your calendars now!!

The IIA has many opportunities to volunteer. Please reach out if you have any inquiries or suggestions.
