

PRESIDENT'S MESSAGE

Dear Members,

Fall is here which means shorter days, but your Winnipeg Chapter board of volunteers has been working hard over the summer to come up with a fantastic line-up of lunches (both in-person & virtual), training, and of course, planning our annual Fraud & Ethics Summit!

October is Cyber Security Awareness Month! Our Education team has arranged our first lunch and learn session of the year, *How to Effectively Communicate Cyber Risk to Board and Senior Management*, presented by Satinder Singh from KPMG. I hope you will join us at the Norwood Hotel on October 19. It will be a great opportunity to re-connect with colleagues and meet new people.

Our Advocacy team has been working on several initiatives including reaching out to post-secondary institutions to speak with students about a career in internal audit. They are also looking at new and exciting ventures that can help us expand information on the IIA and provide some great opportunities for our members.

We want to remind our members that IIA headquarters changed the membership renewal process. When you renew your IIA membership, please select WINNIPEG as your local chapter. It provides us visibility on your membership and allows us to send you important information on training, events, job postings etc. Student memberships are FREE - please share this within your organization.

Winnipeg was represented at the IIA Canada Conference in Ottawa, October 3-5 with one of our Chapter Directors, Ricardo Almosnino, speaking at the event. National Conference is the place to be and hear all about leading practices, new tools, and the latest techniques. There are always lots of excellent speakers as well as great networking opportunities. The 2024 conference will be held in Quebec City from Sept 15-18 so put it in your calendars now!!

The IIA has many opportunities to volunteer, and we have open vacancies on the board. Please reach out if you would like to join us.
