

PRESIDENT'S MESSAGE

Dear Members,

Spring is finally here with warmer weather and longer days. As we wrap up this Chapter year end, I would like to send out a huge THANK YOU to the Winnipeg Chapter board of volunteers. They have worked tirelessly over the past year promoting internal audit as a profession to post-secondary institutions and providing luncheons and training to members. The annual Fraud & Ethics Summit was held in March and was well attended by members across the country.

May is Internal Audit Awareness month. We have an official proclamation from the Provincial Government that will be shared on our website, along with our IIA Member Spotlight and tips on how you and your organizational can join in on celebrating the internal audit profession this month.

Our final event of the year is the annual AGM. This is an in-person event (free to members) and will be held at the Inn at the Forks on May 29 from 11:30-2:00 pm. Lunch will be served, and we have Gustavo Meschler speaking on how to audit cyber security risks. I really hope you can join us!

One thing to note is that IIA headquarters changed the membership renewal process. When you renew your IIA membership, please select WINNIPEG as your local chapter. It provides us visibility on your membership and allows us to send you important information on training, events, job postings etc. Student memberships are FREE, please share this within your organization.

Finally, the IIA Canada National Conference will be held in Ottawa October 3-5. National Conference is the place to be and hear all about leading practices, new tools, and the latest techniques. Reconnect with colleagues and expand your network to fuel your passion for the profession at **Canada's premier internal audit event**. Registration is open and we hope to see you there.

The IIA has many opportunities to volunteer, and we have open vacancies on the board. Please reach out if you would like to join us.
