Bridget Wolff is Managing Partner at Cornerstone Search Partners, a boutique recruiting firm focused on Audit, IT Audit, IT Security, and Compliance. Prior to launching the firm in 2016, she built new divisions and turned around underperforming practices at large global and regional recruiting companies. In her 7 years as Managing Partner, she has helped corporations hire key leadership, transform teams, and build IT Risk and Audit departments. She has also been an industry advisor on market trends, attracting and retaining employees, and improving professional branding.
