

IIA Chicago Chapter 65th Annual Seminar

April 27, 2026

Donald E. Stephens Convention Center

From Evolution to Execution: Empowering People, Elevating Audit in the Age of AI.

Mark your calendars for a day of networking with colleagues- new and old. Join us at this year's Annual Seminar as we move from evolution to execution—exploring how empowered people and intelligent technologies are together shaping the future of audit in the age of AI.

Stay tuned for more details.

Save the date. [April 27, 2026](#). We look forward to seeing you!
