

The Institute of Internal Auditors

Chicago

The IIA Chicago Chapter invites you to ***Audit 201: Auditor In-Charge Bootcamp*** with Danny Goldberg

The Audit 201 course helps professionals advance to becoming an effective Audit Senior. New audit team leaders must supervise and produce audit work and continually balance a hectic schedule so that every project meets audit management expectations. This training seminar gives Audit Seniors insight into how to review a file, manage a project, and draft audit reports. Additionally, this course will cover the interpersonal skills to supervise the audit team and interactions with auditees and audit management.
