Message from the President

Kayla Routh

Welcome back IIA members!

The Chapter has decided to try something a bit different from the newsletters you are used to seeing. Since we have received feedback recently about people not reading the newsletter in its entirety, we have decided to give you the high-level information you want and need to know. This will include our training schedule, IIA Headquarter news and training, and our officers. While this could change back to a more full-scale newsletter, we would like to try this for a few months and see if this is a better way to get you what you need to know each month.

Additionally, the system IIA Headquarters is now using for training is different so the screens and information required will be different than in the past. One thing that is now required is the use of your Global Account Number (GAN) to register for training. This is our way of knowing who is and is not a member of the IIA. If you do not know your GAN, please see your group membership administrator or log into your member portal on the IIA. If you have any questions or concerns over the new format of the newsletter, please let me know at Kayla.Routh@illinois.gov and I will bring the concerns to the Board at our next meeting.

Lastly, we will begin accepting nominations for open positions on the Board. Currently, the following Officer positions would be open in the coming Chapter Year: **Secretary, 1st and 2nd Treasurer, and Senior Vice President – Programming Chair**. There are also some Governor positions opening as well. If you would like more information on these roles, please reach out to me at Kayla.Routh@illinois.gov. Further, if you would like to submit a nomination, you can send me an email with your name, a short bio, and a picture. **The Chapter will be accepting nominations until February 15, 2026.**

Regards,
Kayla Routh, President
