IIA Detroit Chapter 2022-2023 Year-in-Review

It has been a great chapter year! The Detroit IIA continued to show its commitment, strength and resilience in providing leadership, valuable programming and professional recognition for our members in the Metro-Detroit area of Southeast Michigan. Here are some key highlights:

- Continued to serve in our 80th chapter year
- Maintained ~900 members, representing over 100 companies/organizations, Detroit continues to be one of the largest IIA chapters in the United States
- Held 8 monthly meetings, 1 Conference, 4 webinars and attendance totaled 1,280 for all events.
- Achieved “Sapphire” chapter achievement status (25 consecutive years of gold status chapter health) – *continued to offer programming, promote and encourage IIA certifications, advocate for the IIA and the profession, and maintained a strong chapter membership.*

The Institute of Internal Auditors

Detroit

Provided diverse programing through monthly meetings, webinars, CPE opportunities to members

To support our members while working remotely, the chapter continued to host virtual professional development events throughout the year. Topics covered included:

A Note of Thanks from the Chapter President:

Thank you to all 900+ IIA Detroit Chapter members! Your membership, participation in meetings, webinars, and the Spring Conference helped to shape another successful chapter year! Your support is greatly appreciated. It has been an honor and pleasure serving as your Chapter President during the 2022-2023 Chapter year.

Regards,
Pete Hartung
