President’s Message

Hello St. Louis IIA Chapter!

I began last month’s newsletter talking about a snowstorm…and now we have sun and temperatures in the 70s (certainly not complaining)!

There are many exciting things happening in March – daylight saving time, the start of Spring, and our multi-track event! Speaking of multi-track, there is still time to register! As a reminder, the event is on the mornings of March 23 and March 24.

A major thanks goes out to the planning committee for all their efforts and time planning what I know will be a great event. See the finalized speaker / topic listing on the detailed multi-track schedule we included on page five.

As always, reach out to me (evan.gruenkemeyer@gmail.com) or the other officers if you would like to volunteer, learn more about our Chapter, or provide ideas / feedback. We want to hear from you!

**Chapter Achievement Program (CAP)**

CAP is the acronym for Chapter Achievement Program. The program has been established on the premise that the basic mission of the chapter is to serve its members first and then the internal audit profession. The program, sponsored by the International IIA, encourages local chapters to be active both for the benefit of the chapter members and of the local community.

Local chapters earn credits for the CAP through in the following categories: a) HQ partnership; b) Programming; c) Certifications; d) Advocacy; and e) Membership. The Chapter Achievement Program is made up of three performance levels: bronze, silver, and gold. Thanks to your efforts, our chapter has attained gold status every year since 1997. After ten consecutive years of achieving gold, a chapter achieves Platinum level, which this chapter has earned since 2006. After twenty years of achieving gold, a chapter achieves Ruby level.

So, what can a member do to earn CAP points for the chapter? Examples, include:

- Attend the monthly chapter meetings;
- Attend chapter sponsored seminars;
- Utilize the chapter sponsored Certified Internal Auditor (CIA) review course;
- Earn an IIA certification;
- Develop questions for the CIA exam;
- Recruit new members;
- Present speeches or training sessions;
- Write internal audit-related articles for publication;
- Provide an internal audit internship at your company for a student; and
- Come up with an innovative way to promote the chapter

So, it's easy to contribute and it doesn't take too much of an effort. You can report CAP activity on the chapter website or directly to the CAP Chairperson Brent Statler at bstatler@sccmo.org
