# The Institute of Internal Auditors Charlotte Chapter

2022 Year April 2022

## A Letter from the President

Charlotte Chapter,  
Happy spring! I hope 2022 is off to a great start for you. Thank you to all who attended the February training on Choosing your Own Breach Response with Ryan Duquette, the annual Mid-Atlantic District Conference in March and the volunteer networking event at The Olde Mecklenburg Brewery in April. We have an exciting 4 hour in person workshop coming up on April 29, 2022. Be on the lookout for additional training and networking opportunities in June.

A reminder that May is International Internal Au-

dit Awareness Month. It is important for us all to build awareness of internal audit's role in organizational success.

As always, please reach out to me or any of the Officer team if you would like to volunteer, learn more about the Chapter, or have ideas/feedback.

Warm Regards,  
**Erin Sweeney**

Modifications proposed for The IIA's International Standards for the Professional Practice of Internal Auditing were approved in October 2016 and are now in effect. The revisions include the addition of two new standards, alignment of the Standards to the Core Principles, and updates to existing standards.

All new implementation guides are available to help you with the key changes to the Standards. An updated edition of the International Professional Practices Framework (IPPF) guide, more commonly known as the Red Book, is now available. Visit the [IIA Bookstore](#) for more information.
