President's Message

Greetings IIA OKC Chapter Members!

I hope this message finds you well and that you're sage and hopefully drying out after the unprecedented amount of rainfall we experienced in April. Thank you to everyone who joined us for last month's event with Ethan Garrett. His presentation on effectively communicating technical data received tremendous positive feedback – we're already looking forward to inviting him back. A big thank-you to Ethan for sharing his time and expertise with us!

Looking ahead, we're excited to announce our Spring 2025 Seminar, which will be held virtually over two half-day sessions. Danny Goldberg will lead both sessions, offering practical guidance and professional development tailored for internal auditors.

- Session 1: Fraud Auditing for Internal Auditors – May 28th, 8:30 AM to 12:30 PM
- Session 2: How to Issue Audit Findings That Deliver Results – May 29th, 8:30 AM to 12:30 PM

This is a great opportunity to earn up to 8 hours of CPE while gaining valuable and actionable insights – so be sure and register early.

As I reflect on my time as Chapter President, I can hardly believe how quickly my two-year term has flown by. I want to personally thank all our officers and board members for their hard work and support. Special thanks to Amanda Brooks, Megan Atterbarry, Audie Hamman, Jon Desouza, Tatum McMahan, Tara Wilson, Tabatha Roulston, and Alex King for all they've done – and will continue to do – for our chapter. It's truly been an honor to serve as President, and I look forward to seeing many of you at future CPE events!

As always, we continue to welcome volunteers for the 2025/2026 chapter year. Volunteering is a great way to get involved, build your network, and help shape the future of our chapter and future leaders. If you're interested, please reach out to me or one of our officers.

Thanks,

Cory Brown
