President's Message

Greetings IIA OKC Members,

Seems like January just ran past us. I feel like the year just began, but we are already into February. We are continuing to offer great opportunities for CPE that you don't want to miss. We will be offering virtual meetings and in-person meetings this year, so make sure you are paying attention to the emails, newsletters and announcement.

We are about to roll-out a new feature for the OKC Chapter that you do not want to miss. To end this chapter year we are going to have a CPE event every Thursday for the last 6 weeks of the year (April 20 – May 25). This event will have many different speakers from various fields and backgrounds within the audit universe, one in-person meeting, five virtual meetings and the opportunity to collect 10-12 CPE credits including more Ethics CPEs. You will have the opportunity to buy each event separate (\$40 for virtual and \$60 for in-person) or bundle them altogether to save costs (\$200 for 6 event bundle). The schedule and events will be added to the chapter website soon, so you can view all 6 events before making your selections. We believe this will be a great way to end the year and celebrate the Internal Audit Awareness month of May!!

Please be watching for upcoming meetings on both the monthly newsletters and the chapter website -

<https://www.theiia.org/en/chapters/united-states/oklahoma/oklahoma-city/>.

I hope the IIA OKC will continue to provide a sense of comfort for all members. We are dedicated to bringing relevant and engaging CPE opportunities to members while also encouraging networking within numerous industries. Please feel free to reach out to any of our officers if you have any questions or suggestions.
