OFFICER'S MESSAGE

Happy fall!

I would like to thank all of our members who joined us for our first event of the 2022-2023 chapter year, our Mystery Fraud Training at DeSales University! It was nice to be able to resume in-person seminars and come together as a chapter for these types of events. I would also like to express my thanks to all of our members who took the chapter survey. This survey is vital as it is used to gather feedback and ideas so that our officers and board members can continue to meet your needs and provide our chapter members with the best experience.

If you are looking for additional CPE opportunities, don't miss free one-hour virtual credit offerings from the IIA (link is included in this newsletter). Additionally, to ensure we provide offerings for those who are unable to join in-person, as well as allow flexibility, our chapter will be holding 4 credit virtual seminar featuring Ann Buterra, the founder & President of The Whole Person Project, Inc. Please plan to join us for this event and look for more details to be released soon!

Looking ahead, please mark your calendars for our chapter social at the Iron Pigs, which is scheduled for May 12, 2023. I look forward to seeing our members and friends at the stadium!

If you would like to be more involved with our IIA chapter, please reach out to our chapter officers at chapter144@theiia.org to discuss volunteer opportunities.

If you have any comments or suggestions on ways we can improve our activities throughout the year, or if you are interested in volunteering with the chapter, please email our officer team at chapter144@theiia.org or email me at Lauren_Castillo@pmagroup.com with your suggestions.

Best Regards,

Lauren
