WASHINGTON STATE DEPARTMENT OF LICENSING | dol.wa.gov

Security Features Found on WA DOL Documents

Front

1. **"Washington" written across the front of the document. Printing reacts to UV light.**
2. **WA State seals across the front of the document react to UV light.**
3. **The US flag is not present on standard documents. Enhanced documents have the US flag on the lower right corner of the large customer photograph.**
4. **Mt Rainier is visible in the background of the document.**
5. **A smaller version of the large photograph is present near the lower right corner of the document.**
6. **DLN Number: For all documents (Driver License, ID cards, etc.) issued after 2018, the Driver License or ID card number begins with WDL.**
7. **Lines on the right lower corner react to UV light.**
8. **Tree at the bottom of the document shifts color from gold/bronze to green as the card is tilted.**
9. **The color of the document header varies between issuance type (see page 2 for more information).**

Back

1. **Three WA state seals are visible without enhancement. Seals react to UV light.**
2. **Two different styles of bar codes. WA does not use a magnetic strip (similar to a credit card) on DOL credentials.**
3. **Customer date of birth listed in the lower left corner.**
4. **Endorsements will be printed left to right over the seals.**
