

# Power Your Software

## With Official IIA Standards

Become an IIA Authorized Software Licensee and elevate your product with trusted, globally recognized internal audit content.

### **Build Smarter. Build Credibility. Build With The Institute of Internal Auditors.**

Through The IIA's Software Provider Licensing Program, you can integrate the world's leading internal audit standards, guidance, and terminology directly into your software, enhancing value for clients and strengthening your brand.

### **Why Partner With The IIA?**

- ✓ **Boost Credibility & Trust**  
Showcase your commitment to quality with the Authorized Licensee logo.
- ✓ **Deliver More Value**  
Give your users direct access to official standards, guidance, and tools.
- ✓ **Stay Ahead of the Competition**  
Incorporate the latest IIA updates and translations as they're released.
- ✓ **Ensure Compliance**  
Use IIA intellectual property legally and confidently.
- ✓ **Integrate Seamlessly**  
Embed full standards, topical requirements, practice guides, global technology audit guides, or add-ons tailored to your solution.

### **Additional Program Benefits**

- Licensed electronic content in both PDF and native formats (English and translations).
- Annual update meeting with The IIA.
- Partner portal access for tools, resources, and updates.
- Listing on The IIA's website as an Authorized Licensee.
- Discounts on IIA conference sponsorships and select products/services.
- Use of the official IIA Authorized Licensee logo.

### **>> Ready to Differentiate Your Software?**

Let's talk about becoming an Authorized Software Licensee.
