

Become an IIA Authorized Licensee

Leverage globally recognized internal audit content, enhance your credibility, and expand your reach

The IIA's Training Provider Licensing Program

The Institute of Internal Auditors (The IIA) offers training providers the opportunity to license IIA-owned intellectual property for the development, delivery, and promotion of training programs – including exam preparation for the Certified Internal Auditor® (CIA®) and Certification in Risk Management Assurance® (CRMA®) designations – as well as continuing professional education (CPE).

Why License IIA Content?

✓ Ensure Legal Compliance

- Use IIA intellectual property in compliance with international copyright and trademark laws

✓ Build Trust and Credibility

- Leverage the authority of globally recognized content
- Use the official IIA Authorized Licensee logo

✓ Stay Current and Competitive

- Receive ongoing updates to course materials
- Access newly published content as released

✓ Operate Efficiently

- Integrate high-quality materials into your programs
- Gain access to native file formats and official translations

Key Licensing Benefits

- Licensed electronic content in PDF and editable native formats in various languages
- Collaboration opportunities with 117 IIA National Institutes
- Access to retired and sample CIA® exam questions
- Learn about performance trends to promote candidate success
- Access to the training provider portal
- Listing on the IIA Website as an Authorized Licensee with a direct link to your company's webpage
- Discounts on IIA conference sponsorships and selected products/services

All commercial use of IIA content requires a formal license. Annual licensing fees are determined based on the size and scope of your organization. As a not-for-profit global association, The IIA reinvests 100% of licensing revenue to advance the internal audit profession through standard-setting, advocacy, research, and talent development initiatives.
